

The monsoon retreat of
Shraddheya Acharya Shri Chandanashriji,
'Shri Tai Maa'

together with her learned Sadhvi Sangh
in the pious land where
Bhagwan Mahavir spent fourteen rainy seasons.

AN INVITATION

Shri Tai Maa's 2019 Chaturmas in Rajgir

The challenge of present times marked by profound changes occurring in all spheres is how to preserve and enrich our divine tradition. This calls for serious introspection, debate and discussion. At this year's Chaturmas in Rajgir, Shraddeya Acharya Shri Chandanashriji (Shri Tai Maa) will hold discourse on the subject in the presence of renowned thinkers and scholars.

The four-month long rainy season at the holy land of Rajgir is a unique opportunity for all of us to enlighten ourselves by listening to the rich discourse.

Rajgir earned divinity from the presence of Tirthankar Mahavir through fourteen rainy seasons when his Holiness answered questions concerning human existence and gave novel but practical solutions, which will remain relevant for all time to come.

Sincerely
Navin Suchanti
