

Education is every child's birthright.

Unfortunately, it still remains an inaccessible right for millions of children around the world driven by factors like poverty, illiteracy, discrimination, inequality & affordability.

To educate
a child,
is to turn
walls into
doors.”

ART 4 EDUCATION™

Art 4_Education

A platform to support child education

Since I am very passionate about art & painting, I decided to take my hobbies further and utilize them for a noble cause by **supporting a school for the under privileged in Jaipur, adopted by Veerayatan** (www.veerayatan.org), an Indian NGO focusing on Service, Education and Self Development.

Funds from my initiative **fully (100%)** goes in supporting the school for the under privileged in Jaipur.

While I have started this initiative during my 20' summer vacation, **till date (2nd Oct) I have been able to support 20 kid's education for 1 full year** and journey looks promising and exciting with support from many well wishers who want to make difference in many kids life.
