Diagnostic Center at Rajgir... Inspiration

- On 2nd January 2021, Yuvacharya Shubhamji Maharaj left her human body, in a hospital in Pune. Earlier while at Rajgir, she was suffering from severe liver disease, which neither could be diagnosed properly, nor could be treated there.

- She was brought to Pune too late. Her life could not be saved.

- The Veerayatan Pariwar, learning not only from Yuvacharya Shubhamji Maharaj's life, but also from her untimely demise, has decided to establish a modern diagnostic center, in Veerayatan Rajgir.

- A two-storied building approximate cost Rs. 5 Cr will be built during the next 10 months.

- In the first phase, diagnostic equipment worth Rs. 5 Cr will be procured and will be commissioned as soon as the building is ready.

- Residential facilities for specialised doctors and technicians, to operate advanced diagnostic machinery, will be created parallelly. The approximate cost Rs. 3 Cr.

- After successfully operating Phase I, expansion of facilities will be taken up in Phase II, starting mid 2022. The equipment of Rs 11.5 Cr will be needed at that time.

Diagnostic Center at Rajgir... Vision

- Make diagnostics highly accessible to poor patients at affordable/ charity rates.
- Invest in best in class equipment, advanced technology and offer quality diagnostic services.
- Obtain support from best healthcare diagnostics service provider.
- Help the patients in distress with empathy and compassion, take utmost care and provide comfortable environment.
- Aim for 24x7x365 days of services, with adequate and trained manpower, to ensure quality service to each patient.
- Follow best practices and Medical/ Clinical Protocols.
- Appoint senior consultant- Radiologists, Pathologists, Specialists, Technicians and Analysts.
